Agenda

**Attendance:** Scott Kersh, Jessica Simmons, Michael Keown, Melissa Jarrell, Gary Butts, Brent Stovall, and Whitney Roberson

**Reading Plus' Software                      discussion                      Simmons                      20 minutes**

-Mrs. Simmons introduced a potential new program that could be used for extra literacy support in the communication skills classes, as well as the English classes called Reading Plus. The program allows teachers to use differentiation to help students who need extra support with reading, comprehension, and vocabulary.

**Athletics Update                      discussion                      Keown                      20 minutes**

-Mr. Keown updated the SGT members on what was happening within the athletics department at SCHS. He discussed the various fundraisers that had been completed the last couple of months and the money that was raised for the athletics program. Mr. Keown also gave an update on the changes within the booster club starting in May.

**Weight Training Credit                      discussion                      Kersh                      10 minutes**

-Mr. Kersh discussed the idea of a possible credit for zero period for 8<sup>th</sup> grade students. A more in depth discussion will be completed during the summer SGT meeting.
