

Dual Enrollment **Option B** - Another path to graduation

High School Graduation Option B (formally known as SB2) offers qualified students an alternate path to high school graduation. Students choose to simultaneously earn a high school diploma and a post-secondary credential like two (2) Technical Certificates of Credit in a specific career pathway, a Technical Diploma, or an Associate Degree. Qualified students may take some of the high school required classes under the Dual Enrollment Program.

Complete all required high school courses:

2 English/Language Arts - Must Include American Lit and EOC
2 Math - Must Include Algebra 1 and EOC
2 Science - Must Include Biology and EOC
2 Social Studies
0.5 Health and 0.5 PE
All required Milestone/EOC Exams

Earn any of the following Technical College Credentials:

- Two TCCs from the list on Page 2
- Any One Diploma Program
- Any One Associate Degree

****Please Note** Option B students are subject to the 30 hour funding cap and these credentials may incur outside costs.

Students interested in pursuing High School Graduation Option B should contact their high school counselor or dual enrollment advisor.
