Stephens County High School Administrative Conference Room
Minutes

The SCHS SGT team meet in the Media Center conference room on December 7, 2016. All members were present as well as Amanda Deaton from our English department, Mr. Michael Keown from our administration team, Ms. Natalie Holland from our administration team and Mr. Joe Hutcheson from Vizitech USA.

Amanda Deaton presented Michael Coughlin (via internet) from the Revision Assistance Program who presented a web based account of the Revision Assistance program which helps students with English papers. The presentation was approximately 30 minutes long. The committee voted to table the vote on this program and asked for more information to be brought to us before a decision is made.

Michael Keown presented to the committee two revisions for the Code of Conduct. The committee asked for one sentence to be removed and then voted to accept the revision of those two policies.

Joe Hutcheson from Vizitech USA made a presentation to the committee on their innovative 3D software that can be used in classrooms, especially science, healthcare, automotives, etc. The committee had a chance to actually try out the machine. The committee is very interested in purchasing this hardware and software but tabled a vote pending two quotes from him; a perpetual quote and an annual quote.

The committee discussed the remaining funds in the charter budget and how to respectfully spend these funds for innovative learning.

The committee ended with a vote to accept the 2018-2019 calendar that was presented to us.

The meeting was adjourned.
